

※Procurement plan may change

The Main Procurement Plan Fiscal 2010

Classification	Contracting office	Article designation	Q'ty	Unit
Distribution materials and equipment	Office of Purchasing	General concrete pole	21,678	Piece
Distribution materials and equipment	Office of Purchasing	Concrete under-bracing	3,363	Piece
Distribution materials and equipment	Office of Purchasing	Steel pipe/concrete coupled pole	9,766	Set
Distribution materials and equipment	Office of Purchasing	Spliced pole steel pipe	2,218	Piece
Distribution materials and equipment	Office of Purchasing	Pole transformer	5,219	Unit
Distribution materials and equipment	Office of Purchasing	Salt resisting pole transformer	3,986	Unit
Distribution materials and equipment	Purchasing Center	Transformer mounting band	7,932	Set
Distribution materials and equipment	Purchasing Center	Controlled source transformer	966	Unit
Distribution materials and equipment	Office of Purchasing	Low-voltage 10-hour zone watt-hour meter (with communication function)	18,511	Piece
Distribution materials and equipment	Office of Purchasing	Low-voltage watt-hour meter unit	428,000	Unit
Distribution materials and equipment	Office of Purchasing	Low-voltage unit case	641,600	Unit
Distribution materials and equipment	Office of Purchasing	Low-voltage communications unit	422,600	Unit
Distribution materials and equipment	Office of Purchasing	Low-voltage load-break unit	18,400	Unit
Distribution materials and equipment	Office of Purchasing	Combined utility (with communication function and DM, 10-hour zone type), handled as precision instrument	2,100	Unit
Distribution materials and equipment	Office of Purchasing	Combined utility (with communication function and DM, 10-hour zone type), handled as general instrument	18,500	Unit
Distribution materials and equipment	Office of Purchasing	Combined utility meter (with communication function)	74	Unit
Distribution materials and equipment	Office of Purchasing	Combined utility sender	141	Unit
Distribution materials and equipment	Office of Purchasing	Watt-hour meter with built-in current transformer	756	Piece
Distribution materials and equipment	Office of Purchasing	Terminal box for instrument with transformer	3,495	Piece
Distribution materials and equipment	Office of Purchasing	Power consumption indicator terminal (10-hour zone)	56	Unit
Distribution materials and equipment	Office of Purchasing	Voltage/current transformer for meter (mold type)	48	Unit

※Procurement plan may change

The Main Procurement Plan Fiscal 2010

Classification	Contracting office	Article designation	Q'ty	Unit
Distribution materials and equipment	Office of Purchasing	Air-break switch (AS)	3,745	Unit
Distribution materials and equipment	Office of Purchasing	Totally enclosed type air-break switch (CS)	1,729	Unit
Distribution materials and equipment	Purchasing Center	By-pass use air-break switch	87	Unit
Distribution materials and equipment	Office of Purchasing	High-voltage distribution line automatic section switch with built-in sensor	1,000	Unit
Distribution materials and equipment	Purchasing Center	Earth terminal	13,750	Piece
Distribution materials and equipment	Office of Purchasing	Anchor grip for aluminum clad steel conductor	14,475	Piece
Distribution materials and equipment	Office of Purchasing	Straight grip for aluminum clad steel conductor	1,603	Set
Distribution materials and equipment	Office of Purchasing	Cable protection steel pipe	29,171	Piece
Distribution materials and equipment	Office of Purchasing	Cable protection steel pipe cap	1,579	Piece
Distribution materials and equipment	Office of Purchasing	Cable protection steel vent pipe	2,523	Piece
Distribution materials and equipment	Office of Purchasing	Cable protection steel pipe joint	6,348	Piece
Distribution materials and equipment	Purchasing Center	Support fixture	2,524	Piece
Distribution materials and equipment	Purchasing Center	Time switch	6,538	Piece
Distribution materials and equipment	Purchasing Center	Link wire fuse	58,369	Piece
Distribution materials and equipment	Purchasing Center	Pulse conversion adapter	1,800	Piece
Distribution materials and equipment	Purchasing Center	Circuit breaker	162	Piece
Distribution materials and equipment	Purchasing Center	Pair/distribution line carrier relay station	53	Unit
Distribution materials and equipment	Purchasing Center	Media converter	432	Unit
Distribution materials and equipment	Office of Purchasing	Voltage/current transformer for mold type high-voltage meter	2,259	Unit
Distribution materials and equipment	Office of Purchasing	Wire fuse with lead	449,613	Piece
Distribution materials and equipment	Office of Purchasing	Pull-down lead support cross arm	5,087	Piece

※Procurement plan may change

The Main Procurement Plan Fiscal 2010

Classification	Contracting office	Article designation	Q'ty	Unit
Distribution materials and equipment	Purchasing Center	Service wire simple support fixture	5,213	Piece
Distribution materials and equipment	Purchasing Center	Service wire cross arm	29,451	Piece
Distribution materials and equipment	Purchasing Center	Service wire cross arm fixing band	32,522	Set
Distribution materials and equipment	Purchasing Center	Anchor grip	19,335	Piece
Distribution materials and equipment	Purchasing Center	Cross-linked binder	3,062	Piece
Distribution materials and equipment	Purchasing Center	Indoor type optical termination equipment	27	Unit
Distribution materials and equipment	Office of Purchasing	Overhead earth-wire cross arm	7,680	Piece
Distribution materials and equipment	Purchasing Center	Watertight anchor clamp	3,878	Piece
Distribution materials and equipment	Office of Purchasing	Improved anchor clamp	81,082	Piece
Distribution materials and equipment	Office of Purchasing	Clamp cover	84,479	Piece
Distribution materials and equipment	Office of Purchasing	Improved clamp cover	112,529	Piece
Distribution materials and equipment	Office of Purchasing	Modified high-voltage cut-out switch	22,752	Piece
Distribution materials and equipment	Purchasing Center	Round hole stay driven anchor	3,251	Piece
Distribution materials and equipment	Purchasing Center	Weighing equipment panel	45	Unit
Distribution materials and equipment	Office of Purchasing	Lightweight rack cross arm	8,888	Piece
Distribution materials and equipment	Office of Purchasing	Lightweight cross arm	70,789	Piece
Distribution materials and equipment	Purchasing Center	Optical pair conversion unit	70	Unit
Distribution materials and equipment	Purchasing Center	Photoelectric switch	45,700	Piece
Distribution materials and equipment	Purchasing Center	Optoelectric coaxial transducer	46	Unit
Distribution materials and equipment	Purchasing Center	Wide band AMP	119	Unit
Distribution materials and equipment	Purchasing Center	High-voltage cut-out switch mounting fixture	5,397	Set

※Procurement plan may change

The Main Procurement Plan Fiscal 2010

Classification	Contracting office	Article designation	Q'ty	Unit
Distribution materials and equipment	Purchasing Center	High-voltage cut-out switch mounting band	1,174	Set
Distribution materials and equipment	Purchasing Center	Conductor piece for high-voltage cut-out switch	1,596	Piece
Distribution materials and equipment	Purchasing Center	High-voltage time-lag fuse	125,937	Piece
Distribution materials and equipment	Office of Purchasing	High-voltage pin insulator	273,790	Piece
Distribution materials and equipment	Office of Purchasing	High-voltage tension insulator	205,389	Piece
Distribution materials and equipment	Office of Purchasing	High-voltage special tension insulator	7,775	Piece
Distribution materials and equipment	Office of Purchasing	Salt resisting high-voltage pin insulator	49,821	Piece
Distribution materials and equipment	Office of Purchasing	Salt resisting high-voltage tension insulator	23,174	Piece
Distribution materials and equipment	Office of Purchasing	Salt resisting intermediate insulator	515	Piece
Distribution materials and equipment	Office of Purchasing	Cable support insulator	12,081	Piece
Distribution materials and equipment	Office of Purchasing	Three pole interlocking high-voltage cut-out switch	864	Piece
Distribution materials and equipment	Office of Purchasing	Salt resisting improved high-voltage cut-out switch	5,580	Piece
Distribution materials and equipment	Office of Purchasing	Triangle spacer	1,392	Piece
Distribution materials and equipment	Purchasing Center	Stay driven anchor	12,578	Piece
Distribution materials and equipment	Office of Purchasing	Ground rod	159,924	Piece
Distribution materials and equipment	Purchasing Center	Deep-driven ground rod	14,434	Piece
Distribution materials and equipment	Purchasing Center	Deep-driven ground rod accessory terminal	8,502	Piece
Distribution materials and equipment	Purchasing Center	Manhole metal cover	508	Set
Distribution materials and equipment	Purchasing Center	Adhesive joint tape	2,935	Roll
Distribution materials and equipment	Office of Purchasing	Ground installed multiple circuit switch	226	Unit
Distribution materials and equipment	Purchasing Center	Ground installed transformer (π leading type)	191	Unit

※Procurement plan may change

The Main Procurement Plan Fiscal 2010

Classification	Contracting office	Article designation	Q'ty	Unit
Distribution materials and equipment	Office of Purchasing	Low-voltage current transformer	478	Unit
Distribution materials and equipment	Purchasing Center	Electromagnetic contactor	16	Piece
Distribution materials and equipment	Purchasing Center	Distribution arrester	17,382	Unit
Distribution materials and equipment	Purchasing Center	Arrester connection terminal	30,488	Piece
Distribution materials and equipment	Purchasing Center	Plastic seal	680,238	Piece
Distribution materials and equipment	Purchasing Center	Seal cap	805,140	Piece
Distribution materials and equipment	Purchasing Center	Seal wire	669	Roll
Distribution materials and equipment	Purchasing Center	Auxiliary power supply selection relay	133	Piece
Distribution materials and equipment	Purchasing Center	Receiving fixture	14,707	Piece
Distribution materials and equipment	Purchasing Center	Stand fixture	4,494	Set
Distribution materials and equipment	Purchasing Center	Wedge type anchor clamp	69,017	Piece
Distribution materials and equipment	Purchasing Center	22 kV cable direct connection type automatic switch	1	Unit
Distribution materials and equipment	Purchasing Center	22 kV automatic section gas switch	5	Unit
Distribution materials and equipment	Purchasing Center	22 kV pole gas switch	9	Unit
Distribution materials and equipment	Purchasing Center	33 kV automatic section gas switch	3	Unit
Distribution materials and equipment	Purchasing Center	33 kV automatic section switch	4	Unit
Distribution materials and equipment	Purchasing Center	33 kV pole gas switch	1	Unit
Distribution materials and equipment	Purchasing Center	IP transmitter (for customer information)	410	Unit
Distribution materials and equipment	Purchasing Center	Distribution tower GPT	6	Unit
Distribution materials and equipment	Purchasing Center	Distribution tower relay	4	Unit
